CD 110
DELUXE
Kuch Kuch Nahi
Sab Kuch Hai

Presenting the all-new CD 110 Dream Deluxe powered by the impressive 110cc engine with eSP Technology. It only means higher power and torque output without compromising on its superb mileage. That's not all, with great power and ride quality, you also get style and safety like never before.

A QUIET REVOLUTION

CD 110

Superior Technology

110cc HET BS-VI Engine

Ahead of its time, the latest innovation in engine contributes to a cleaner environment. The intelligent HET engine delivers an unmatched performance.

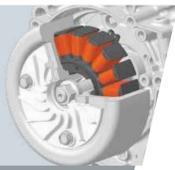

eSP Technology

Honda's Enhanced Smart Power (eSP) technology maximizes performance and fuel efficiency by reducing friction. The ACG Starter integrated with eSP technology starts the engine quietly, giving you the best of riding experience and technology.

Silent Start with ACG

Honda's unique ACG starter motor removes gear meshing noise and helps start the engine without a jolt.

Friction Reduction Technologies

The piston cooling jet reduces friction and maintains optimum engine temperature. The offset cylinder and rocker roller arm fitted with needle bearing further reduces the frictional losses in the engine.

HET Tubeless Tyre^

Honda's low rolling resistance tubeless tyre is specially designed to increase fuel-efficiency.

CD110

Great Style

DC Headlamp
Keeps a steady illumination,
irrespective of speed and riding
conditions.
